

## Specifications:

Handmade, This bucket hat makes a perfect addition for a trip to the beach, playing in the garden or to take away on holiday, keeping precious heads shaded from the sun. It is fully reversible, giving you the option of two hat designs in one.

The fabric is pre-washed prior to sewing to remove any manufacturing residue and to eliminate initial shrinkage. The hats are made with 100% woven cotton fabric.

The pattern placement for these might vary from the picture shown, but will in no way change the overall appearance of this lovely design. This bucket hat design is also available as a sun hat, to choose this option, please contact us, and then custom your own logo.

## FAQS

Which size is best for my child?

We always recommend measuring on the head of your child where a hat would be. That is, over the forehead and just above the ears.

We have 2 sizes available that both have an adjustable snapback. Please note that the proposed age limits are only a guide. Children come in all shapes and sizes, and boys usually have a larger head than girls.

**TODDLER SIZE:**

The hat is adjustable between 43-51 cm

Generally suitable for children from 4 months to 2 years

**YOUTH SIZE:**

The hat is adjustable between 49-55 cm

Generally suitable for children aged 2-7 years
