If you want to take the hat I sent apart for measuring that is fine. I can also send you more. 10:21

why you always think we can help you to do the hats?
although we make your hats wrong
I am very curiously 10:23

The quality you sent me was very good as samples. The hats you sent were very good quality it was a manufacturing mistake that put us in this spot. So the hat was very close we just need to re-measure the triables and the hat would be great.
The 3D embroidery was awesome on the front of our hats. Better quality than what we get from the couple big brands we sell. 10:25

Next step for me is to finish my website and after that I will contact all the sport clubs in Iceland and try to sell them customized headwear. 21:18
