Les relances ont commencé dans les années 1950 lorsque les joueurs de baseball font les en dehors de leur uniforme, mais dans les années 1990, ils sont devenus une tendance de la mode et font partie de la culture pop. Ces casquettes ont tendance à ressembler aux casquettes de baseball standard sauf le plastique réglable dans le dos qui permet au porteur d'ajuster la taille et un bord plat. Snapbacks peuvent être portés de différentes manières, en fonction du style que vous essayez d'atteindre.

If you want to take the hat I sent apart for measuring that is fine. I can also send you more.

why you always think we can help you to do the hats?
although we make your hats wrong
I am very curiously

The quality you sent me was very good as samples. The hats you sent were very good quality it was a manufacturing mistake that put us in this spot. So the hat was very close we just need to re-measure the triables and the hat would be great.
The 3D embroidery was awesome on the front of our hats. Better quality than what we get from the couple big brands we sell.
