

A LETTER TO OUR CUSTOMER

Dear Customer,

A new year has been on its way with all moving smoothly and happily.

With your sincerely support and trust, we are more vigorous and confident.

Thanks again!

A group of young here, work together, help each other,

share experience and happiness on each day,

with the same mind strongly in heart that how to help you grow up,

how to help you to be successful, and how to help you to be more stronger.

Do you want one of them to help you?

Time flies with the world's step; hat has become one symbol of fashion culture.

To show people's happiness, belief, kindness.... It can be seen here and there.

It is our honor that we choose this line and share it to all over the world

with our elaborate work.

Not just to show a high quality hat, also the beliefs for spreading the cultural.

Welcome you to join this potential market at any time!

A 100% of the time, the system is available and running smoothly.

Q How often do you check the system status?

A I check the system status every day, usually in the morning.

Q How do you monitor the system performance?

A I use a combination of manual checks and automated monitoring tools to ensure the system is performing optimally.

Q How do you handle system downtime?

A In the event of a system outage, I follow a predefined incident response plan, which typically involves identifying the root cause, implementing a workaround, and restoring the system within 5-7 days, or 15-20 days if necessary.
