on how making the caps is done, then we can discuss all the sports and get materials 2017年11月3日

If you want to take the hat I sent apart for measuring that is fine. I can also send you more. 10:21

why you always think we can help you to do the hats?
although we make your hats wrong
I am very curiously 10:23

The quality you sent me was very good as samples. The hats you sent were very good quality it was a manufacturing mistake that put us in this spot. So the hat was very close we just need to re-measure the triables and the hat would be great. 10:25

The 3D embroidery was awesome on the front of our hats. Better quality than what we get from the couple big brands we sell.
