FAQ:

Q 1: Can I order snapback cap with my own design logo?

A: Definitely yes. There are many different styles for you to choose. Such as 3D embroidery, flat embroidery, woven label, leather patch and so on.

Q 2: Can I order a sample first? How can I place one sample?

A: Surely you can order a sample first. And there will be some sample cost, charged based on your design & artwork. We will make the sample hats for you after payment received and take pictures for your reference once finished. If you want to see the actual sample cap, we can send the sample to you while freight cost is yours.

Q 3: How soon can I get a snapback cap sample made? How can I make payment?

A: For simple design sample, it generally takes about 7 days to get samples made. While it will take a longer time for complicated design, digital print fabric, embossed logo, for example. Payment can be made through T/T or Western Union.
