

## first let's listen what our customer say about our products

### 5 panel printed logo foam mesh trucker cap

The significant difference is, the side/back is made of mesh, either flat bill or curved bill.

Wind can flow through to make you very cool! And it is lightweight!

First starts with foam front styles with printing logo, now it is also using the cotton, canvas or floral front with various logo styles such as embroidery, patch....

Also good for promotion in the some activities or events!

## About customization:

1. Our product price is pure clothing price, does not include printing fee. The specific price depends on the quantity you have customized and the content of printing. Please inform us of the style, printing content, printing position and quantity of your choice. We will help you to calculate the custom price and shipping time as quickly as possible.
2. We have our own printing workshop, embroidery workshop, etc. The craftsmanship is complete, we will inform you of the most suitable printing process when you receive your printed content.
3. Print content as much as possible to provide high-definition images, the clearer, the better the printing effect, too small and unclear to print out the effect is not beautiful enough.
4. After the order is placed, the construction period is usually 2-4 days. Please inform us of the urgent

order, we will give priority to help you.
