Brand story

The functional hat "Aungcrown" brand was established in 1998, we analyze different kinds of customers' demands

through researching data, focus on customers' experience, redefine the normal hats and create functional hats which

are more easy carrying, easy wearing and well-matching.

Company Certification:

Our products are original foreign trade originals, unique styles and exquisite workmanship. Strictly

in accordance with the requirements of the European and American markets. All the materials are

environmentally friendly and will not harm the skin.

FAQ:

Q:Can i order samples with my own design & logo?

A: Certainly you can.We can make it according to your any specific requirement.

Q:How much does the sample cost?

A: Usually it is 15usd/pcs with the additonal freight which can be deducted from bulk orders.

Q:How long will it take for the sample and mass production?

A:Generally speaking , we need around 7days to finish the samples, while it will take longer time for some complex design. And the lead time for production will take about 30days .

Q:.We want to ship samples or small quantity products by air, but the air freight is high?

For small quantity products, we could use our DHL account which has special discount, it can help saving freight for clients and make the price more competitive.
