FAQS

Which size is best for my child?

We always recommend measuring on the head of your child where a hat would be. That is, over the forehead and just above the ears.

We have 2 sizes available that both have an adjustable snapback. Please note that the proposed age limits are only a guide. Children come in all shapes and sizes, and boys usually have a larger head than girls.

TODDLER SIZE:

The hat is adjustable between 43-51 cm

Generally suitable for children from 4 months to 2 years

YOUTH SIZE:

The hat is adjustable between 49-55 cm

Generally suitable for children aged 2-7 years
