### Customization information:

1. Our product price is pure clothing price, does not include the printing fee. The specific price depends on the quantity you have customized and the content of the print. Please tell us the style, the print content, the print position and the quantity of your choice. We will help you calculate the personalized price and shipping times as quickly as possible.

2. We have our own printing workshop, embroidery workshop, etc. The craftsmanship is complete, we will inform you of the most suitable printing process when you receive your printed content.

3. Print the content as much as possible to provide high-definition images, the clearer it is, the better the printing effect, too small and unclear to print the effect is not nice enough.

4. After the order, the construction period is typically 2-4 days. Please tell us the urgent order, we will give priority to help you.
