I'm just setting the program up there with... 2017年11月3日
develop all the sports and get materials together.

If you want to take the hat I sent apart for measuring that is fine. I can also send you more. 10:21

why you always think we can help you to do the hats?
although we make your hats wrong
I am very curiously 10:23

The quality you sent me was very good as samples. The hats you sent were very good quality it was a manufacturing mistake that put us in this spot. So the hat was very close we just need to re-measure the triables and the hat would be great. 10:25

The 3D embroidery was awesome on the front of our hats. Better quality than what we get from the couple big brands we sell.

But both clients have received the hats that have come and both clients are very happy. So this test run has been a great success and I am ready to move forward with you as my provider for hats. Next step for me is to finish my website and after that I will contact all the sport clubs in Iceland and try to sell them customized headwear. 21:18

Hopefully soon in January I will have more clients and will make more orders from you 😊. 21:18
